## EDUCATION

### Bachelor
Virtual University

*07/2024 - Present*

*Courses*
- Bachelor of science in software engineering (BSSE)

## PROJECTS EXPERIENCE

### Animated Portfolio (04/2024 - 05/2024)
- Developed a dynamic and interactive portfolio website using HTML, CSS, JavaScript, and React JS, showcasing a comprehensive understanding of modern web development technologies. The website features animated effects and parallax scrolling, creating a visually stunning experience that engages users and showcases creative projects in a unique and compelling way.

### Lazare Replica (05/2024 - 06/2024)
- Developed a faithful clone of the Lazarev agency website, mirroring its modern design and user experience. Utilized HTML, CSS, JavaScript, and React JS to recreate the website's responsive layout, animations, and interactive elements. Demonstrated attention to detail and proficiency in frontend development by accurately replicating the original website's features and visual style
